Welcome to this 5- bedroom, 2.5 bathroom extended Colonial in The Reserve community within the Cornwall School District. This expanded Carrington-style home is one of the largest in the complex, featuring a two-story entrance foyer with granite floors, blending comfort and modern updates. Inside, enjoy an upgraded eat-in kitchen with stainless steel appliances, granite countertops, a bay window, and a breakfast area sliding glass door a new stone patio. The first floor includes a large family room with a fireplace, a formal living room, dining room, laundry room, and an office with a bay window and French door. The second level offers four additional bedrooms and an extra-large primary suite with an office, sitting area, walk-in closet, bay window, and a luxurious bath with a tub and shower. Upgraded mahogany hardwood floors are found throughout the home. Additional features include a two-car attached garage with ample storage and a spacious basement (1543 SQFT is not included) ideal for entertainment, complete with a Bilco door to the backyard. Host summer barbecues on the new stone patio, surrounded by beautifully landscaped grounds with an automatic sprinkler system. Please verify taxes and square footage before inspection or contract.
